NOTICE: Hwy 90 is moderately winding, but is paved. We have several Class A Motorhomes that routinely use this road. We recommend using these sets of directions to safely travel to Starlite when towing.

From Main Street in Blowing Rock:

- At stone Presbyterian Church take John's River Road (which turns into Globe Road).
- Descend 7.5 miles.
- We are on the left.

NOTICE: The road is gravel, often tortuous and steep. We would **NOT** recommend towing from this direction. (Use Hwy. 90 from Lenoir or call for other recommendations)
